

Revive Us Again

Written by Mary Gamboa

Key: E | Time: 4/4 | BPM

CHORUS

Won't You revive us again
So that we can rejoice in You
Show us Your unfailing love, O Lord
Revive us again

VERSE

You've forgiven all our guilt
And you've covered all our sin
You've withdrawn all your fury
Your blazing anger has come to an end
Oh God of our salvation
We listen carefully to what You say
You give peace to your people
Let us not return to our foolish ways

CHORUS

Won't You revive us again
So that we can rejoice in You
Show us Your unfailing love, O Lord
Revive us again

BRIDGE

Unfailing love and truth have met
together
Righteousness and peace have kissed
Lord, You pour down your blessings from
heaven
Prepare the way - we won't resist

CHORUS
